Welcome to our 2015 Football Season

Dear Members,

On behalf of the Angle Vale Football Club I'd like to welcome you to the 2015 football season. For those who may not know me, my name is Paul Healey and I'm the newly elected President of the Angle Vale Football Club. You may be aware that Jo Roberts (Westaway) the former President of the club made a very difficult decision to step down as President, a decision she did not make lightly. Jo's commitment to the club and the committee over the past 8 years is certainly unquestionable and although for now she has chosen to step away as president she has by no means stepped away from the club or the committee as she stated in her resignation letter. So on behalf of the committee, club and myself, thank you Jo for your tireless commitment to the club and I hope I'm able to fill your shoes well.

2015 not only brings a new season for the football club but it also brings a new and exciting chapter with the first season of the women's football competition, led by Steve Eaton and Ainslie Baylis through the affiliation of the South Australian Women Football League (SAWFL), with Friday and Saturday night games scheduled at the club it is sure to create an atmosphere that can be enjoyed by us all.

Our senior men, through the guidance of senior coach Rob Warren have one goal in mind and that is success! Rob along with the senior support staff, Bill Fuller (senior assistant coach) and Geoff Ryles (Reserves coach) have worked extremely hard during preseason to build player numbers and structure to ensure there is no stone unturned on the road to success. I'm pleased to see many of the 2014 senior players have resigned with the club for 2015 including the clubs 2014 Best & Fairest Michael Gollan, a commitment that won't go unnoticed and unrewarded. It is fair to say that the biggest signing for the club this year is that of Adam Varcoe former Geelong rookie and pick #15 in the 2008 AFL rookie draft. Adam will not only bring a great deal of knowledge to the senior ranks but also a great deal of leadership.

Thursday the 26th of February will once again kick off pre-season training for the future of the football club, with our juniors hitting the track full of excitement and ready to play. We are on track to field sides from U6 to U16 but there is still more players needed to across all grades, so spread the word. A big thank you goes out to Renae Mitchell our Junior Football Director who has once again with the assistance of Vanessa Harvey (Junior Registrar) been tireless in ensuring that our Junior football programme runs smoothly. I'd like to thank all the junior coaches, players and their families for being a part of the Angle Vale Football Club and I look forward to the success you and the club will have in 2015.

It is important to note that the club is dependent on volunteers to help out in the canteen and bbq's, this ensures we are getting the most out of our biggest revenue raisers so I ask that once you receive your volunteer rosters from your team's manager that you commit that time to helping out the club so we can all enjoy the Angle Vale Football Club experience.

Kind Regards

Paul Healey

EXPRESSIONS OF INTEREST

The Angle Vale Football Club is seeking

Sports Trainers

Sports Trainers required – Senior Teams 2015 Season

If you already hold a current Level 1 Sports Trainers certificate or have a Senior First Aid Certificate and are willing to undertake a Sports Trainers Course (provided by the club), then the club would be very interested in having you as a valuable member of our team.

The position is a paid role and can be challenging at times but also can be very rewarding. A Sports Trainer can be anyone: a Parent, a Student, a Coach, or a Professional (Teachers, Nurses etc.) or anyone involved in a sports club.

So if you think you would be interested in giving it a go
