All players and coaching staff to be in **full club uniform** and available at least 10 minutes prior to the photo scheduled time so each team can be ready to go.

If possible, it would be preferred that no shirts be worn under the Guernsey during the photos and each player is wearing black shorts with boots cleaned prior to coming into the club.

All photos will be taken inside and we would appreciate it if those not being photographed could remain outside under the verandah area so there is no distraction during the photo session.

The club appreciates your support
